Section 1: Curriculum Delivery

From Reception through to Year 6, children are taught English within their classes. Learning is delivered through well-planned and well-sequenced teaching that challenges all children, with appropriate levels of differentiation and support from teachers and teaching assistants. All children will receive high quality teaching and appropriate support in order for every child to reach their full potential. Children may receive additional support if necessary outside of English lessons.

A clear learning question is a feature of all English lessons. This learning question will focus on the skills needed. In addition to a learning question, children will also use success criteria which is a point of guidance to support and challenge children within their lessons. Working walls will also support learning in the classrooms.

Opportunity should be given for children to apply their English skills into cross-curricular lessons and evidence of these will be seen in the relevant books.

Working walls will be used in each classroom and should contain the following:

- *Vocabulary bank*
- *Information about the text type and purpose of their writing*
- *An example of the SPAG focus/focuses being covered that week*
- *Examples of the weekly spelling rule/word*
- *References to the class text or book that is being read (if appropriate)*
- *Annotated model texts (if appropriate)*
- *Modelled examples of writing and skills used that week*

The working wall will be updated regularly to reflect where children are within their learning sequence when developing a piece of writing.

Section 2: Speaking & Listening

The four strands of spoken language: speaking, listening, group discussion and drama, permeate the whole curriculum. Interactive teaching strategies are used to engage all pupils in order to raise reading and writing standards. Children are encouraged to develop effective communication skills in readiness for later life. We aim for children to be able to: speak clearly, fluently and coherently; to be able to listen attentively with understanding, pleasure and empathy; and contribute to group discussions effectively.

We will achieve this by:

- *Giving our children confidence in themselves as speakers and listeners by showing them that we value their conversations and opinions. We also encourage a respect for the views of others.*
- *Being aware that as adults, we provide a model of speakers and listeners in our day-to-day interactions with them and with other adults in our school.*
- *Encourage them to use the vocabulary and grammar of Standard English whenever appropriate.*
- *Helping them to articulate their ideas and provide purposes and audiences for talk within a range of formal and informal situations and in individual, partner, group and class contexts.*
- *Providing opportunities to perform to a larger audience, in assemblies and productions, where children's efforts and skills are acknowledged by staff, parents, carers, visitors and peers.*
- *Encouraging participation in choral speaking sessions.*
- *Planning a range of experiences where children can work collaboratively and participate in opportunities to reflect on talk and explore real and imagined situations through role play, hot-seating, drama and discussions.*
- *Developing the children's ability to listen with attention and understanding in all areas of the curriculum and where necessary, asking and responding to questions appropriately.*

Section 3: Phonics

The teaching of phonic skills is embedded within English teaching in each class. The school follows the Read, Write Inc sessions phonics scheme and this is taught for 1 hour per day in Reception and Year 1 and to those children in Year 2 who have not yet passed the phonics screening check. All children accessing phonics are grouped in accordance to their individual needs and are in appropriate groups coloured within the scheme.

During these sessions, children are taught the different phonemes and the graphemes that are written to represent them. They then learn to blend these sounds into words. The scheme is also designed to create fluent readers as well as improving children's writing.

The bottom 20% of children within the scheme are identified and receive extra 1:1 tutoring to enable them to catch up with their peers.

Children are assessed every half term as to their position within the scheme using the RWI assessment form and then grouped accordingly.

Year 1 pupils will undertake Phonics Screening Check (PSC) in June every year along with Year 2 children who didn't achieve pass mark the previous year.

Children in KS2 who have not passed the PSC will receive intervention to address the gaps in their phonics knowledge.

Formative assessment will take place within all lessons as per the Assessment Policy.

Section 4: Reading

Aims

At Maidensbridge Primary School, we aim to:

- *Develop children's creative expression*
- *Encourage a broad range of rich vocabulary*
- *Expose the children to a range of fiction and non-fiction texts*
- *Provide a wide range of opportunities to discuss books and what the children have read*
- *Develop a love of reading in all children*
- *Model excitement and engagement around reading and learning*

Teaching of Reading

Teaching of reading should be based on the reading content domains identified from the National Curriculum. The class teacher should teach three discrete reading comprehension lessons a week and these should be recorded in their English books. These lessons should be skill focused and concentrate on one reading domain at a time to embed understanding. The content domains are listed below.

Reading Content Domain Reference KS1:

- **1a** *Draw on knowledge of vocabulary to understand texts*
- **1b** *Identify/explain key aspects of fiction and non-fiction texts, such as characters, events, titles and information*
- **1c** *Identify and explain the sequence of events in texts*
- **1d** *Make inferences from the text*
- **1e** *Predict what might happen on the basis of what has been read to far*

Reading Content Domain Reference KS2:

- **2a** *Give/explain the meaning of words in context*
- **2b** *Retrieve and record information/identify key details from fiction and non-fiction*
- **2c** *Summarise main ideas from more than one paragraph*
- **2d** *Make inferences from the text/explain and justify inferences with evidence from the text*
- **2e** *Predict what might happen from details stated and implied*
- **2f** *Identify/explain how information/narrative content is related and contributes to meaning as a whole*
- **2g** *Identify/explain how meaning is enhanced through choice of words and phrases*
- **2h** *Make comparisons within the text*

In KS1, children will have access to a wide range of age-appropriate texts to apply their understanding of phonics and the reading domains. The use of the Read, Write Inc. scheme within phonics allows opportunity for comprehension questions which covers the reading domains. Beginning in Year 1, children will have English lessons based on a selected text.

In KS2, English lessons should be based on a class text and this class text will remain the focus for an extended block of learning. Teachers should consider their use of texts across the year and make sure that there is a range of genres, themes and authors. The school will ensure that a range of classic texts are used too. To reach the standards set by the National Curriculum, class teachers will also provide opportunities for the children to read a variety of fiction and non-fiction writing. To achieve this, teachers may need to look at additional pieces of text alongside their class text, but they should link topically to support their understanding. When discussing the class text, there should also be a discussion about the author and an understanding of who has written the book. Within lessons, all teaching staff should model the expected standard of reading and verbalise questioning to encourage inquisitiveness surrounding the book.

Learning in Reading Lessons

Children should:

- *State what type of text they are reading and why*
- *Understand the purpose of the text that they are reading*
- *Identify the reading domain that they are focusing on*
- *Be aware of the impact of the text on the reader*
- *Have opportunity to read aloud to an adult*
- *Have opportunity to read a range of authors*
- *Explore rich vocabulary that they can use within their own written pieces*
- *Explore a range of texts and ask questions*
- *Consider the audience*

Reading Schemes

In KS1 weekly reading books are selected from an appropriate stage which has been matched to their current phonics level within the RWI scheme. Their individual reading book should be phonetically decodable.

Once children have finished the phonics scheme, they will move onto the Accelerated Reader programme to select their books (Year 2-6). To determine which books the children can access, the children will complete a STAR Reading assessment which will produce a ZPD score (zone of proximal development). This will direct the children to books that match their reading and comprehension ability. Once the children have completed the text, they complete a quiz. We aim for a pass rate of 80%. Children will be directed to an appropriate follow-on book based on the outcome of their quiz. Staff will be given weekly reports which show how many books children have read for that term and what their average pass rate is. Children who are not completing quizzes or have a low average pass rate will be identified and supported.

Assessment

Reading will be assessed by the NTS scheme tests once a term within Year 1-6. In order to further support this testing, class teachers should also use the Rising Star comprehension mini tests throughout the term. This will involve the children being provided with an age-appropriate text or passage and some questions to answer based on the text. The questions will cover a range of domains and the class teacher should use the results of these to inform further lessons.

Once children have completed the initial reading scheme used by the school, they will be assessed using the STAR Reading assessments to determine a ZPD score for the Accelerated Reader programme. This assessment will be repeated 5-6 times throughout the year to ensure that children are continually accessing texts appropriate to their level of reading and comprehension ability.

Additionally, class teachers will check reading speed and fluency with the required word reading lists. These will be ticked off and dated using the statutory word lists provided for each year group. For KS2, these will be passed up to the adjoining year group that shares the same spelling list.

Formative assessment will take place within all lessons as per the Assessment Policy.

Recording of Reading

Children will be listened to by a member of staff in school once a week. Further children will be identified for additional reading sessions based on their attainment in reading tests and fluency checks. This data will be recorded and reviewed when necessary.

In KS1, all children will be allocated to an appropriate book stage on the school levels. Each child will have an individual reading tracker sheet where classroom staff will keep a record of which books they have read. Once children have completed their phonics these children will then move onto the Accelerated Reader programme. These children still need to be heard read.

Every child will have a personal planner and when they are listened to by an adult, they should make a comment in the record. Class teachers should check the reading record and initial or stamp next to where they have seen a comment from parents or carers listening to them read outside of school.

Reading Challenges

To encourage engagement with the Accelerated Reader programme, there is a word reading challenge set for pupils. This is the 'Word Millionaire' challenge. There are 3 challenges: KS1, LKS2 and UKS2. Each challenge has selected word amounts for each level and children aim to reach the levels working up to the top tier e.g. 50,000 words, 100,000 words and so on. Once the children have completed different levels within their challenges, they will receive a certificate in recognition of their hard work. Additionally, once a child has completed their Key Stage challenge, they have the opportunity to be a 'Reading Buddy' for children in other year groups and encourage their love of reading.

Reading for Pleasure

At Maidensbridge, all staff are to encourage reading for pleasure. To increase opportunity for children to read for pleasure every class should have an allocated 20 minutes reading time every day. Teachers should

model enthusiasm towards reading and encourage children to explore books. As a school, we will be engaging with events that encourage reading for pleasure such as World Book Day, Roald Dahl Day and World Poetry Day. There will be a reading focus corridor display every year which enables classes to share their experiences of books. We will encourage engagement with the Library Service's 'Summer Reading Challenge' which supports children's reading outside school and promotes reading in a fun and engaging way. There will also be a biannual book fair come into school. Children should be given opportunities to look at the books during school time and discuss with their teachers what books they are interested in. Children in UKS2 should have opportunity to be involved in running the book fairs and encouraging other pupils to engage with it. Our school also partakes in the annual Dudley Literacy Quiz.

Section 5: Writing

Writing at Maidensbridge

As a school, class teachers follow a writing sequence to support all children to develop their writing skills. Elements of this are taken from 'The Write Stuff' and adapted to meet the needs of the school. The writing sequence is a maximum of 10 sessions (not including discrete reading and spelling lessons). The structure has been developed to ensure opportunities to develop speaking and listening skills, collect vocabulary, explore text types, understand elements of grammar and apply learning to written tasks.

SESSION	CONTENT
SESSION 1:	Experience Lesson
SESSION 2:	Experience Lesson (<i>Optional</i>)
SESSION 3:	SPAG – Grammaristics
SESSION 4:	Sentence Stacking
SESSION 5:	SPAG – Grammaristics
SESSION 6:	Sentence Stacking
SESSION 7:	Writing - Planning
SESSION 8:	Writing
SESSION 9:	Writing (<i>Optional</i>)
SESSION 10:	Editing Stations

Session 1 and 2: Experience Lessons:

These are the part of the writing stage that gives context to the children, develop an understanding of vocabulary and also allows for use of spoken language skills. These lessons are also used to analyse the text type if necessary.

NARRATIVE WRITING

- Considering characters
- Thinking about settings
- Looking at relationships
- Historical context
- Themes
- Language choices

NON-FICTION WRITING

- Accumulating facts
- Collecting information
- Gathering knowledge
- Exploring topic-related vocabulary

Session 3 and 5: SPAG – Grammaristics

This part of the sequence focuses on grammar and punctuation. These are skills-led sessions. To support the children within these sessions, the use of 'The Maidensbridge Writing Posters' were introduced. These are referred to as the Maidensbridge Tools and Maidensbridge Techniques and are used from Year 1-6 (See *Appendix G and H*).

Session 4 and 6: Sentence Stacking

These sessions build on from the SPAG session immediately before. It is an opportunity for children to use the skills they have just acquired. The purpose of these sessions are to build good quality sentences for use within writing and should be directed by the teacher.

Session 7, 8 and 9: Writing Development

The writing sessions are used to encompass all of the learning from the sequence into one written piece. The class teacher will guide these sessions with good quality modelling using 'chunking'. The modelling section is split into 'Initiate', 'Model' and 'Enable'. This process is repeated several times within one writing session. The 'initiate' stage is to gather ideas and vocabulary. The 'model' stage is where the teacher shows the children what to do with those ideas and how to construct something from it. The 'enable' stage is where all children are expected to use the modelled writing example to develop their own ideas for writing.

Session 10: Editing

The final session in each sequence is an editing session. Editing sessions are used by teaching staff to guide children to reflect on their own work and are shown how to make effective improvements. These sessions may use stations and a variety of resources. At this stage, children may also rewrite or reimagine a part of their writing.

Writing Overviews

For the whole of the academic year, each year group has been provided with overviews for their class texts. These are to be used to develop weekly planning and help ensure coverage of a wide range of writing genres, skills and the writing checklists for each year group. The overviews are developed from the relevant year group section of the whole school writing progression documents. Teachers should also make informed judgements and adaptations to these based on marking, assessment results and discussions within pupil progress meetings. Writing overviews also include references to poetry work (See *Appendix B*).

Each document includes:

- *Text type (vehicle for writing skills)*
- *Reading domain focuses*
- *Skills focus*
- *Grammar focus*
- *Modelling suggestions*

Assessing Writing

Work is assessed in line with the Assessment Policy

For extended pieces of writing, children should be given success criteria prior to the children starting their writing. These should be specific to the focus of the writing and increase in challenge level. When relevant, children should be given opportunity to set their own success criteria when writing.

Teachers use developmental feedback in order to identify where children have included elements of the success criteria (which are highlighted in green), set next steps targets (which are highlighted in pink) and to give children the opportunity to revisit their work in order to make improvements. After every piece of extended writing in KS2, there needs to be either an editing task or a specific editing focused lesson. Opportunities for redrafting and proofreading will be given where necessary.

The 'Ros Wilson Criterion Scales' have been used to develop a writing checklist for each year group. There is a checklist for each year group from Reception to Year 6. These will be used to assess the level of children's writing after every three written pieces to ensure planning and teaching builds on skills already achieved. When the checklist is completed, these will be put into the children's books so that children can identify what they have done well and what they need to work on. Two criteria will be highlighted on the checklist as targets for the children to develop.

As part of the assessment process, teachers will meet and moderate judgements. Whilst doing this, a selection of these pieces will be collected to form an exemplar document for reference. For example, it could include a good example of what a Year 3 expected level diary entry should look like.

At relevant points in the year, Year 2 and Year 6 will begin to focus on the moderation checklists in preparation for SATs judgements.

Formative assessment will take place within all lessons as per the Assessment Policy

Spelling, Punctuation and Grammar (SPAG)

In KS2, class teachers should teach two discrete SPAG lessons per writing sequence. These should follow the progression of skills document (*See Appendix C*) alongside the National Curriculum guidance. KS1 will incorporate age-appropriate writing skills into their lessons on a regular basis.

The grammar focus within lessons (provided on the writing overviews) should support the text type that is the aim of their writing that week and be relevant to the year group expectations e.g., Fronted adverbials when teaching narrative writing in Year 4.

Spellings should be taught in line with the rules set out for the relevant year groups within the National Curriculum. As a school, we are following the spelling scheme from 'Purple Mash'. This scheme sets out the spelling rules that should be taught each term within each year group along with some suggested spellings to focus on that week.

Parents and carers will be provided with the statutory word lists that their child should be able to spell by the end of that current year. These will also be readily available on the school website and within the children's planners. See below for the word lists available:

- Year 1 - Common exception words
- Year 2 - Common exception words
- Year 3 - Year 3 & 4 Statutory word list
- Year 5 - Year 5 & 6 Statutory word list

Assessment of SPAG

Throughout the year, Year 1-6 will complete formal termly tests to check their understanding of spelling, grammar and punctuation. The tests selected are the Rising Stars assessments.

Years 3 to 6 to have individual logins for 'SPAG.com' and teachers are to set assessments within the programme relevant to their year group. Allocated time to be given where appropriate but can also be set as a homework task.

Century is a programme used in Years 2 to 6 where they can access age-appropriate SPAG skills in their personal pathway, or the teacher can set specific skills linked to classroom learning. This will be set weekly as a homework task.

Formative assessment will take place within all lessons as per the Assessment Policy

Section 6: Poetry

Poetry is to be embedded in the Maidensbridge English curriculum. A clear poetry curriculum is mapped and can be seen in *Appendix D*. This planning document allows for coverage of a broad range of poetry types for the appropriate year groups. This also allows for progression within poetry writing skills.

A new writing structure has been developed to support poetry writing in line with our current writing sequence.

The Poetry Writing Process		
PHASE 1	1-2 Days	Reading and Appreciating
PHASE 2	1-2 Days	Gathering Ideas
PHASE 3	1-2 Days	Independent Writing

To ensure progression across Key stages within these writing phases, teachers follow the poetry progression document which suggests activities and approaches for each phase (*See Appendix E*).

To allow for development of speaking and listening skills within poetry, the school has embedded a choral speaking aspect within each year group. This will begin in Reception and is covered across all year groups. Children will be given an opportunity each year to perform a poem to an audience. Through choral speaking sessions, children will be taught to: use intonation to engage the reader; vary pace, tempo and volume for effect; include hand gestures and motions to emphasise an element of the poem; and speak as a choral body which includes using their listening skills. Teachers have been provided with recommended choral speaking poems (*See Appendix F*).

Performances will be in front of a whole-school audience and will be delivered as follows:

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 6	Year 5 Year 4	Year 3	Year 2	Year 1	Reception

Section 7: Handwriting

Handwriting begins in EYFS with mark-making and patterns. All pupils are given access to a wide range of writing tools and mediums to practise the early fine motor skills. The needs of left-handed children, or those with physical difficulties are also taken into consideration and, where necessary, accommodated with resources or specific intervention. Pupils are encouraged to develop fluent lines of correctly orientated letters from an early age and emergent writing is encouraged. We believe that discrete handwriting sessions- where children's formation and pencil grip can be readily overseen- should take place at least once a week in KS1 and more frequently in the foundation stage. Correct posture and positioning of paper or books are also emphasised during these sessions. Letter formation and handwriting is taught and modelled using a range of resources. The national expectation at the end of Year 6 is that children will join their handwriting. As the children move up through the school they are encouraged to think carefully about the presentation of their work and to develop clear, legible and fluent handwriting.

In EYFS and KS1, all children will use a pencil for any written work. As they move into KS2, they will have opportunity to earn a pen license if their handwriting is up to the expected standard. This will be determined by the child's class teacher. Once the pen license has been earned, then children must maintain the expected standards otherwise the child will be asked to use pencil until they are using the correct formations again. The pen license does not need to be earned every year and so a list shall be kept by class teachers which can be passed up to the next year group.

There is a whole school progression for handwriting and additional guidance attached in *Appendix A* of this policy.

Section 7: Parental/Carer Involvement

Parents and carers can play a vital role in the development of English skills. We aim to foster a strong home-school partnership regarding reading using planners as communication between school and home. Every child in school will have a personal planner and anyone who hears the child read will record a comment. The expectation is that children read daily and parents should hear their child read at least once a week for KS2 and daily for EYFS and KS1 children. Parents and carers also support the school by coming in to hear readers during the school day.

We host an annual book fair where parents and children can come after school to purchase different books. School will receive a proportion of the profit made which is re-invested into reading within school.

To encourage engagement of adults at home, we have provided the option for parents and carers to receive instant notifications when a child completes a quiz on the Accelerated Reader programme. Progress is also shared with family through comments in their personal planners.

This policy should be read in conjunction with the following school policies:

- *Assessment Policy*
- *Marking Policy*
- *SEND Policy*

Appendix A

Handwriting progression document

WHOLE SCHOOL HANDWRITING PROGRESSION 2022		
Year Group	Statutory	Teaching Guidance
Year 1	<p>Handwriting requires frequent and discrete, direct teaching. Pupils should be able to form letters correctly and confidently. The size of the writing implement (pencil, pen) should not be too large for a young pupil's hand. Whatever is being used should allow the pupil to hold it easily and correctly so that bad habits are avoided. Left-handed pupils should receive specific teaching to meet their needs.</p> <p>Pupils should be taught to:</p> <ul style="list-style-type: none"> • sit correctly at a table, holding a pencil comfortably and correctly • begin to form lower-case letters in the correct direction, starting and finishing in the right place • form capital letters • form digits 0–9 • • understand which letters belong to which handwriting 'families' and to practise these. 	<p>Support children to have the correct posture and to experiment with different writing implements to help them find a hold that is comfortable and efficient.</p> <ul style="list-style-type: none"> • Practise lower-case letter and capital letter formation, show starting and finishing positions and the direction of movement. • Practise joining two or three letters in a word. • Revise the formation of digits 1 to 9. • Provides letter formation practice for each of the four letter families. <p>Develop a good pencil hold and help left-handers to adopt a hold that is comfortable and efficient.</p>
Year 2	<p>Pupils should revise and practise correct letter formation frequently. They should be taught to write with a joined style as soon as they can form letters securely with the correct orientation.</p> <p>Pupils should be taught to:</p> <ul style="list-style-type: none"> • form lower-case letters of the correct size relative to one another • start using some of the diagonal and horizontal strokes needed to join letters and understand which letters, when adjacent to one another, are best left unjoined • write capital letters and digits of the correct size, orientation and relationship to one another and to lower case letters • • use spacing between words that reflects the size of the letters 	<ul style="list-style-type: none"> • Practise lower-case letter formation, with correct letter height and spacing, consistency of letter size and parallel ascenders and descenders. • Introduce and practises joining letter sets. Children should begin to join all the letters in a short word or to join letter patterns which can support spelling. They should practise the joins and then write them in context (e.g. a simple sentence). • Introduce break letters b, g, j, p, y, x and z, ensuring children join and break words in the right places. • Children write the alphabet in capital letters. They could also write the days of the week, the months of the year and short sentences and rhymes, ensuring the correct size of capital letters in relation to lower-case letters. • Provide opportunities to practise writing digits (e.g. addresses, phone numbers). • Teach correct spacing between words, help children to present their work well.

		Provide revision and practise of correct letter formation. When the formation of capitals and lower-case letters is familiar and secure, children can begin to join all the letters in a short word or to join letter patterns.
Year 3	<p>Pupils should be using joined handwriting throughout their independent writing. Handwriting should continue to be taught, with the aim of increasing the fluency with which pupils are able to write down what they want to say. This, in turn, will support their composition and spelling.</p> <p>Pupils should be taught to:</p> <ul style="list-style-type: none"> • use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined • increase the legibility, consistency and quality of their handwriting (e.g. by ensuring that the down strokes of letters are parallel and equidistant). 	<ul style="list-style-type: none"> • Encourage children to a sloped style of writing. They should practise familiar and tricky diagonal and horizontal joins and learn about ‘break letters’ g, j and y and the letters x and z, which are never joined to or from. • Begins to develop fluent, even handwriting: <ul style="list-style-type: none"> i) letters are consistently sized ii) known joins are used correctly iii) ascenders and descenders are parallel iv) regular spaces within and between words. <p>Provide practice so that children become secure at joining and are able to use joined-up writing for most of their work.</p> <ul style="list-style-type: none"> • Children can practise writing at increased speeds so they can produce longer pieces of writing with greater ease. • Continue to emphasise using the movements of handwriting to support spelling through the revision of common letter patterns.
Year 4	<p>Pupils should be using joined handwriting throughout their independent writing. Handwriting should continue to be taught, with the aim of increasing the fluency with which pupils are able to write down what they want to say. Poetry Writing Sequence

		MAIDENSBRIDGE PRIMARY SCHOOL		
		The Poetry Writing Process		
PHASE 1	Reading and appreciating	1-2 Days	EYFS	<ul style="list-style-type: none"> - Reading the poem together - Oral rehearsal with actions - Looking at simple features e.g., title, poet, and simple rhyming pairs.
			KS1	<ul style="list-style-type: none"> - Reading and responding to simple questions e.g. what do you like/dislike about the poem? Does anything puzzle you about the poem? Does the poem remind you of another poem or book? Why? - Identifying simple features e.g. title, poet, number of lines; circling rhyming couplets; identifying age-appropriate vocab used by the poet e.g. adjectives, nouns, powerful verbs etc. - Opportunity to look at other poems by the same poet or poems on the same theme by other poets. - Drama/adding sound scapes to a poem/oral rehearsal with actions. - Write a simple review.
			LKS2	<ul style="list-style-type: none"> - Comparing and contrasting to other poems by the same poet or poems on a similar theme by different poets. - Drama/ adding sound scapes to a poem - Identifying more complex poetic devices e.g. use of alliteration. - Identifying use of syllables specific to genre e.g. Haiku or Tanka. - Identifying/labelling lines, verses, stanzas - Labelling rhyme schemes. - Identifying vowel rhymes (assonance). - Responding to more complex questions e.g. tell me more about... What led you to think that? Tell me what you thought about? What came into your head when you read? Have you ever come across anything like this before? Can you extend that idea for us?
			UKS2	<ul style="list-style-type: none"> - Appreciating the poet's craft – looking at a range of poetic devices e.g. use of symbolism or imagery, figurative language, similes, metaphors, personification, and onomatopoeia. - Comparing and contrasting use of poetic devices with those used in other poems either by the same poet or different poets. - Labelling more complex rhyme schemes; use of assonance and rhythm. - Sequencing a cut-up version of an (unseen) poem following genre specific success criteria e.g. Sonnet or Cinquain. - Identifying more complex use of syllables specific to genre e.g. stressed, unstressed and iambic pentameter in Sonnets. - Identifying/commenting upon the effect of lines, verses stanzas, refrains and couplets. - Sorting famous lines taken from Shakespeare using different criteria e.g. heard before/never heard before, blank verse/iambic pentameter/other. - Responding to more complex questions to do with poet's use of language e.g. How has the poet used figurative language? Why has the poet chosen to use onomatopoeia?
