

Dear Parents & Guardians,

The NHS Orthoptic team will be in school on Thursday 24th October to deliver the Vision Screening test for children aged 4-5 years.

If you would like your child to have the vision screening test you do not need to do anything. If you **do not** wish for your child to have the test, please contact the office.

Please withdraw if your child is already receiving treatment for their eyes, such as receiving care from a hospital eye service or optician.

Many Thanks

School Office
