

Dear parents and carers,

For those who haven't joined us for a parents evening before at Maidensbridge, I just wanted to share the arrangements over the next couple of weeks, which will allow you time to see your child's books and to discuss with their new teacher how they have settled into their new year group.

On Monday 16<sup>th</sup> October, school will be open for **all** parents and carers to visit the classrooms and see the children's books and the work they have completed so far this term. You will not see Art and Geography books yet because we teach these subjects half-termly. The children across school have been learning DT and History this half term.

**Just to reiterate, it doesn't matter if you haven't got a face-to-face appointment booked for the 16th, you can still come to school to see the books.**

If you have booked a face-to-face appointment for the 16<sup>th</sup> October, you will arrive at the hall door by the school office just before your appointment time and then you will see your child's teacher in the hall for your 10-minute appointment. You can view the books before or after your appointment as long as it is within the timings of 3.30-6.30pm.

If you have booked a virtual meeting with the teacher on Monday 23<sup>rd</sup> October, you will access this through your child's RM Unify log in and access the Teams calendar where your appointment will have been set up by the teacher. Please make sure you can log in and see Teams before the evening of the 23<sup>rd</sup> so we can try and support any technical difficulties before the parents evening.

We will open the doors at 3.30pm on Monday 16<sup>th</sup> October, after we have made sure all of the children are safely released and allowing the staff to get a quick drink and comfort break before they start their appointments.

We look forward to seeing you all in school on Monday 16<sup>th</sup> October to see the books.

Thank you

Mrs K Thomas

Headteacher
