

Use of Sports Premium in the Academic Year 2018-19

The government is providing additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school head teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Our Sports Premium objectives:

- To further develop the quality of our existing PE and Sports provision by giving staff opportunities to develop their PE and Sports expertise and confidence through professional support and CPD.
- To enable all pupils to improve their health and well-being and fully appreciate the health benefits of physical activity and sport throughout their lives.
- To enable all pupils a wide range of opportunities to develop their physical literacy and demonstrate their sporting prowess.
- To enable all our pupils to participate in competitive sport whilst observing the spirit of fair play and respect.
- To extend opportunities to our talented pupils by offering specialised provision.

- How much Sports Premium do we receive in this academic year?

£18000

How are we using the Sports Premium in our school?

- Introducing two specialist PE teachers for one and half days per week to work alongside teachers when teaching PE and develop PE teaching and learning.
- Funding professional development opportunities for teachers to attending PE and sports courses.
- Providing cover to facilitate the attendance of teachers at PE and sports courses.
- Funding affiliation fees to the Youth Sport Trust which provides the school with a range of CPD opportunities, professional support and collaboration within a local cluster of schools.
- Funding access to school (Level 1), area (Level 2), regional (Level 3) and national (Level 4) competitions and maximising participation for all pupils.
- Buying resources and services that facilitates improvements in learning and the increase in physical activity.
- Facilitate the promotion of physical activity and healthy diets in the curriculum through Fit4Life activities such as healthy cooking/eating.
- Provide opportunities for all pupils to attend after school clubs including a Fit4Life Club.
- Provide enhanced provision for more able pupils to develop their skills and abilities.
- Work with our school partners in developing a Chage4Life provision to activate less-active pupils.
- To provide all our children with extended opportunities to try physical activities and sports that they currently are unable to access in the curriculum.

How will we measure the impact of Sports Premium Funding?

Teaching staff, specialist PE teachers, school leaders and governors work together to continually monitor the impact of the actions we have put into place (through Sports Premium Funding) in meeting the needs of our pupils. Our provision is carefully planned and is subject to on-going evaluation and monitoring to ensure the impact on pupils is high. We monitor impact by:-

- Undertaking lesson observations and evidence the learning that is taking place.
- Discussions with teachers and coaches about teaching and learning.
- Pupil voice – gauging the experiences of pupils in their lessons and the school in general.
- Staff voice – gauging the experiences of teaching PE, their skills/confidence levels in different aspects of the subject.
- By giving termly reports to the governors on the expenditure and impact of Sports Premium Funding.
- Assessing the performance of school sports teams in Level 2 and 3 competitions.
- Assessing the participation of pupils in after school clubs and in inter-house (Level 1) competitions.
- Assessment information regarding progress in Physical Education.

Development aspect	What funding allocation has been made to this aspect?	How was School Sports Premium spent on this aspect?	Impact?	Evidence?	Sustainability / Building capacity for the future?
<p>Participation in competition, leading to success.</p> <p>SPORTS PREMIUM OBJECTIVES 1 2 3 4</p>	<p>Two specialist and experienced PE teachers will be employed by the school in order to deliver high quality PE teaching across a range of sports and physical skills. These specialists will serve as professional support and models of good practice for teaching staff.</p> <p>Total cost: £13,110</p> <p>Transport to and from events to enable a multiple teams of pupils to represent the school. £800</p>	<p>The provision of a specialist PE teacher in: Assisting preparation of school teams.
